**What's on offer:**

- Excellent earning potential
- Crew and Venue roles in Beijing and Shanghai
- Accommodation and living allowance
- International exposure and ability to broaden your experience by working overseas
- Work alongside an in-house local team, sharing their knowledge and experience to help build a strong team
- Ability to use your skills and expertise to establish a team in a new partner venue in China

**What we need from you:**

- Bilingual speaking English and Chinese (Mandarin)
- Audio Visual industry experience employed as AV technicians, Event Staging Managers, Assistant Event Staging Managers and Operations Coordinators
- Ability and or desire to provide coaching and training to staff
- Ability to travel and sense of adventure
- Ability and or desire to provide coaching and training to staff
