AV Technicians – Auckland, New Zealand

**Looking for casual and/or permanent employment?
Do you want to work in the land of the white clouds, New Zealand?**

If so, then we want to hear from you!

- ✓ **Competitive remuneration packages**
- ✓ **Plenty of opportunities to work on many varied corporate events**
- ✓ **Access to working with leading teams in creating outstanding events**

Based in our Auckland, New Zealand business, this role is responsible for the efficient delivery, installation, operation and removal of audiovisual and event staging equipment required to run shows of all sizes and complexities. The successful candidate will work with a creative young team and learn from some of the most qualified and respected AV technicians and managers in the industry.

If you like thinking outside the square and trying new things then this is a great opportunity to expand on your skill set across all AV facets and enhance your career.

WHAT YOU WILL DO?

- Deliver, operate and manage the removal of audiovisual equipment from show locations;
- Liaise with clients, crew, freelancers and venue staff in a professional manner and operate independently under show conditions;
- Apply working knowledge of all equipment, its application, cabling requirements and identify likely problem areas;
- Visually identify and assemble all equipment to the correct specification;
- Install and pack down equipment in a safe manner;
- Test and check installed equipment including aligning, tuning and troubleshooting;
- Maintain confidentiality at all times; and
- Excellent grooming and presentation.

WHAT WOULD YOU HAVE DONE?

- Experience working in Corporate Events;
- Demonstrated competency in operating audio visual equipment;
- Proven track record in a technical role (audio experience is desirable);
- Highly developed customer service skills;
- Ability to work under pressure;
- Ability to deal with people at all levels of the organisation;
