

IT'S NOT JUST AN EVENT. IT'S A STAGING CONNECTIONS EVENT.

TECHNICAL TRAINEESHIP – AUCKLAND

Does AV excite you?

Do you want to start a career and get qualified?

Our 2017 Technical Trainee program is now open and perfect for passionate AV enthusiasts, looking to kick start their career in the events industry!

Our Technical Traineeship incorporates a six month training program with full time employment that will see you working and learning alongside industry experts whilst delivering events with our partner venues.

The curriculum is designed to provide you with intensive on-the-job training across the core elements of Sound, Vision, Lighting, and Staging. You'll also learn other vital skills of the events industry, such as Safe Work Practices, Customer Service, and Show Management.

WHAT WE'RE LOOKING FOR:

- Customer service or hospitality background
- Demonstrated passion for technology
- Enthusiasm and initiative
- A high attention to detail and sense of urgency to work to tight deadlines
- High standard of personal presentation
- Flexibility in work hours and rosters
- 18 years or over (due to liquor and gaming regulations)
- Valid state driver's licence is essential (own transport - desirable)

In return, you will receive face to face training from industry experts, the opportunity to earn while you learn and also career progression opportunities with one of the leading events company's in market.

WHY YOU'LL LOVE US

- No day is the same but every day is rewarding: We work in the exciting world of events. Every event presents its own set of unique thrills and challenges, charging our teams to be creative yet pragmatic every day.
- We turn ordinary events into extraordinary experiences: It's our passion for creating unforgettable experiences
- We cultivate great culture! At Staging Connections we grow teams that are seriously fun.
- You will be an integral part to the business and as such, will be in a position to showcase your passion for our events.

IT'S NOT JUST AN EVENT. IT'S A STAGING CONNECTIONS EVENT.
