

AUDIO VISUAL TECHNICIANS

JOBS @ STAGING CONNECTIONS

- 6 weeks annual leave
- Competitive remuneration
- Plus overtime

Do you enjoy the fast pace of the events industry and do you want to be part of a rewarding and dynamic team environment? Then this role might be for you. We are looking for enthusiastic Audio Visual Technicians for our venues across Australia. In this role you will be responsible for the efficient delivery, installation, operation and removal of audio visual and event staging equipment required to run shows at all levels.

KEY RESPONSIBILITIES

- Delivery, operation and removal of audiovisual equipment to and from show locations;
- Liaise with clients, crew, freelancers and venue staff in a professional manner and operate independently under show conditions;
- Apply working knowledge of all equipment, its application, cabling requirements and identify likely problem areas;
- Visually identify and assemble all equipment to the correct specification;
- Demonstrate competency in the operation of audio visual equipment;
- Install and pack down equipment in a safe manner; and
- Test and check installed equipment including aligning, tuning and troubleshooting.

ESSENTIAL CRITERIA TO BE SUCCESSFUL IN THIS POSITION

- Demonstrated competency in operating audio visual equipment;
- Highly developed customer service skills;
- Ability to work under pressure;
- Maturity to deal with people at all levels of the organisation;
- Excellent oral and written communication skills;
- Flexible to work after hours;
- Maintain confidentiality at all times; and
- Excellent grooming and presentation.

If this sounds like you, please send your resume and a covering letter to:
